DISPATCH NO. [] A-433

TO : CHIEF, LINCOLN

DATE 16 February 1954

FROM : CHIEF OF STATION, []

INFO: CHIEF, WHD

SUBJECT: General - Operational
Specific- Liaison-JURANT

REF: [] A-414

1. JURANT requested Charles F. RENNELL on 6 Feb 54 to arrange a meeting with him since he had information for him. The meeting was held at 1500, 10 Feb 54, at the office of ~~JURANT~~.
2. JURANT said:
 - a. Guatemala has 2000 militia and 1000 regular troops at JUTIAPA. Special telephone lines have been installed between Headquarters at JUTIAPA and Guatemala City. The troops are not too well led and the Salvadoran government is not particularly afraid of the concentration as an invasion threat since the movement was made after publication of the Guatemalan white paper and apparently as a defensive measure against the purported invasion plans of John H. CALLEGHERIS.
 - b. Guatemalan Lt. Col. Juan Pablo ~~JURAN~~ is another purported Guatemalan exile. He is currently with the International Harvester Company in Salvador. He made a visit to the Guatemalan Military Attache to Salvador and thereafter immediately started making contacts among the exile colony. JURANT said it is suspected he is in the pay of the Guatemalan government.
 - d. JURANT thereupon delivered a list of confirmed Salvadoran Communists. He has marked with an asterisk those considered most dangerous but warned all were confirmed Communists and he would later turn over to us a list of suspects. It will be noted [] is on the list.
Jose BLANCO Corpino
3. JURANT thereupon asked if RENNELL knew anything of the anti-Guatemalan movement in Honduras and Nicaragua. He said the Salvadoran government had been called upon for assistance from it but did not care to be involved. RENNELL said he had no knowledge of such purported activities. JURANT said Salvador did not desire to become embarrassed by such groups.
4. JURANT said he was interested in learning all he could of Jose Ramon ~~ALMEIDA~~ (see ref; para 4,d) since he has been receiving and distributing anti-Caracas Convention literature and is strongly suspected of being the contact

between Romulo BETANCOURT and local Communists. He also added BETANCOURT was a very close adviser to Jose FIGUERES.

5. STATION COMMENT:

- a. It is hoped the denial RENNELL made (para 3 above) was not in answer to a question predicated on a request of CALLEGERIS per LINC 435, para 3, in that it might conceivably be a factor in a denial of the said request.
- b. JURANT was friendly and cooperative much beyond the previous visit. Some data for quick delivery to JURANT on subject of [] -414, para 4,d would be helpful in gaining greater confidence from JURANT and establishing the appearances of a quid pro quo relationship which could be potentially profitable in complying with PBSUCCESS directives.
